Kassandra has no information on her travel. She wanted to check her reservation with the Hilton Riverside Hotel in New Orleans and can't because she does not have a confirmation #.

At least let us know the basics of her flight time and airline and hotel confirmation number. Here is her direct contact information.

This \$1943 flight in question was for travel just to and from the HBCU conference.

Importance: High

Good Morning Veda,

I did not see an amended TA for the Kassandra Rice to go round trip from New Orleans to California as we discussed. We already discussed that due to last minute scheduling, and New Orleans being completely sold out for hotel rooms on 03/14, the flight to South Dakota was way over budget.

I just hung up with the Travel Help Desk. Angel sees the updated itinerary with Kassandra flying out tomorrow to and from her home McKinney (sp?), but the cost says \$1943.73! It's now routing to Sheila for approval.

Subject: Travel for Kassandra Rice's participation in the HBCU and AIHEC conferences

Importance: High

Marsha,

Per my conversation with Sheila and Lisa, it appears that the cost of having Ms. Rice participate in the HBCU and the AIHEC conferences exceeds the amount of allowable funding.

HBCU Conference

Reservations were originally made for Ms. Rice under the assumption that she would be leaving from Arcata, CA on the 14th and because there was a chance that lodging would be provided for that extra day due to how far she had to come (CA). The cost of this

flight was \$1,218. It has since been brought to my attention by Lisa that lodging for the 14th was not available; thus, Ms. Rice would need to arrive on 3/15. This change in travel resulted in an increase in the fare from \$1,218 to \$1,412.00. **Currently booked by BCD Travel.**

AIHEC Conference

I was notified today that Ms. Stancil was approved to attend the AIHEC conference; therefore, Ms. Rice would also be attending—if funding permitted. The attendance at the AIHEC conference will acquire additional costs to go from NOLA to Rapid City, SD back to Arcata, CA at a total cost of entire airfare of \$3,853.00, roundtrip.

This does not include her lodging (plus tax), per diem, and transportation from home to the airport and return.

As mentioned above, I have booked her reservation for the HBCU Conf. if you conclude that she can only attend that one and the cost of airfare to attend this one conference is \$1,412.00, round trip. If you decide she can attend the AIHEC also, the closer we get to the date of travel, the higher the cost—which could change by the hour.

If you have any questions about the above, please let me know early tomorrow.

Hope you had a grand vacation!

See you soon.
